WORK EXPERIENCE

01/10/2017–2021

Teaching assistant

Alexandru Ioan Cuza University, Iasi (Romania)

- Conceiving, designing and organizing seminar activities, annual projects, practical studies and laboratory in the field of Spatial statistics, territorial planning and quality of life, Designing tourism practices.

2021 – Present

Lecturer Phd

Alexandru Ioan Cuza University, Iasi (Romania)

- Conceiving, designing and organizing seminar activities, annual projects, practical studies and laboratory in the field of Spatial statistics, territorial planning and quality of life, Designing tourism practices.

01/10/2017–01/02/2018

Scientific Researcher

Iași Municipality

- Responsible for developing the Tourism strategic framework of Iasi Municipality in the context of spatial planning.

01/04/2020 – Present

Scientific Researcher

Neamt County Council

-Responsible for developing the Tourism Strategic framework for Neamt Council

01/08/2011–01/10/2017

Associate professor

Alexandru Ioan Cuza University - Iasi, Iasi (Romania)

01/10/2016–01/04/2017

Researcher

Alexandru Ioan Cuza University, Iasi (Romania)

Planning Thematic Routes in the spatial context of Iasi Municipality

01/04/2014–31/12/2014

Research Assistant

ESPON - Alexandru Ioan Cuza University, Iași (Romania)

Dissemination of ESPON concepts at local and regional level - ESPON on the ROAD project

EDUCATION AND TRAINING

01/08/2011–30/07/2016

PhD

EQF level 8

University Alexandru Ioan Cuza - Faculty of Geography and Geology, Iași (Romania)

Evaluating quality of urban life using a multi-scale approach. Case Study: Iași Municipality

01/08/2009–30/06/2011

Master's Degree

EQF level 7

Alexandru Ioan Cuza University, Faculty of Geography and Geology, Iași (Romania)

Regional Development

Statistics

Thematic Cartography and GIS

Urban Studies

01/08/2006–30/06/2009

Bachelor Degree

EQF level 6

Alexandru Ioan Cuza University, Iași (Romania)

Human Geography

Physical Geography

Urban and Rural Geography

PERSONAL SKILLS

Mother tongue(s) Romanian

Foreign language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	B2	B2	B2	C1
French	B2	B1	B1	B1	B1

Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
Common European Framework of Reference for Languages

Communication skills Communication skills gained from involvement during university studies in a number of projects (social, scientific, educational, motivational) made after volunteering in different associations.
Effective communication skills gained from involvement in disciplinary actions (organization of symposium and scientific congresses).

Organisational / managerial skills Teamwork acquired in numerous projects and events organization with a multidisciplinary and scientific background.
Team management skills gained in the organized mountaineering expeditions during the past 6 years (Alps, Atlas, Pamir, Carpathians, Caucasus)
Good experience in project management and team work gained from managing two projects developed together with Iasi Municipality.

Job-related skills Training and scientific coordination of students through coordination of bachelor and scientific projects.
Good knowledge of Geographical Information Systems and Geospatial and geostatistical methods
Good knowledge of (online) mapping software (ESRI Software, PhilCarto, Envi 4)
Good knowledge of interdependent relationships within planning in urban areas gained from scientific projects feasible.

Digital skills Use of Microsoft Office™ (Word™, Excel™ and PowerPoint™) gained in organization and realization of seminars Applied Informatics in Tourism Geography
Constant use of processing of imaging and software - Corel Draw™, Adobe Lightroom, Adobe Illustrator, Adobe Indesign .
Expert use of GIS (Geographic Information System) - ArcGIS™, ENVI gained from participation in courses organized by ESRI Romania.
Using 3d modelling software (Blender, Agisoft, Sketchup) and dedicated softwares for 3d printing

(Prusa Slicer)

Other skills Organizing mountain expeditions in the past 6 years in various mountain ranges in the world (Pamir Alps, Atlas, Caucasus, the Carpathians) with notable achievement for performance and the Romanian mountaineering world.

D. Doctoral thesis

Evaluating quality of urban life using a multiscale approach. Case Study: Iași Municipality

Research Interest

Spatial perspective upon quality of life

Urban Planning and post-socialist transition

Urban resilience

Emergence of tourism in spatial and temporal geographical space

New technologies in applied geoinformatics
3d Printing and Drone photogrammetry
